Congo Friends Need Our Help

July 2018

It was eight years ago that Global Outreach provided funding to construct three small houses and a dormitory for the orphans at Congo for Christ. Since then a substantial number of improvements have been made. To name a few:

*Storage building for supplies
*Water pipeline for CCC and community
*Kitchen with oven for bread baking
*Garden to provide vegetables
*Mango Tree School classrooms and offices
*Books for Mango Tree School
*Metal beds, new sheets, pillows
*Sound equipment, musical equipment
*Beautiful security wall
*Solar power for all buildings
*Education and school supplies for orphans
*Feeding program for community children
*Teen training for community youth

We praise God for all that has been done and especially for the dramatic change in the lives of the beautiful children at the center and in the surrounding community. Just like in our own homes, there are ongoing needs that if provided, would make life a lot easier for our Congo for Christ family.

One item that has been needed for four years is to complete the ceilings in Mango Tree School. When building the school in 2014, **we did not have sufficient funds to finish the ceiling.** The classrooms have been in use, but the lack of a ceiling causes several problems. When it rains it is hard for the children to hear the teacher because of the rain pounding on the metal roof. During the hot season the rooms heat up like ovens and the noise from children reciting in adjoining classes makes it difficult for the children to concentrate. The cost to complete this project is $5,612 or about $800 per room.

Mango Tree School classrooms need ceilings

Children were excited to get pillows and new sheets

Other items still needed:

*Containers for the children to keep their clothing and personal items neat and tidy
*Equipment for office: printer, scanner, etc.
*Equipment for repairing water pipeline
*Motorbike for staff use
*Replace items recently stolen from Congo for Christ Missionary Church...sound equipment, pulpit

If you would like to provide funding for one of these projects or contribute towards the cost of any of them, your gift would make a huge difference in the lives of these precious people in Congo. Feel free to contact us for additional information or to ask questions. Thank you for loving and sharing!

Update on Ngena

We are thankful to report that Pastor Jeremiah's son, Ngena, was able to undergo surgery on his arm on June 23rd. We thank each of you who donated to help cover the cost of his surgery and follow-up care. Pastor Jeremiah reports that the surgery took longer than was expected but they are trusting and believing Ngena will experience a full recovery. Pastor Jeremiah remains in Nairobi with Ngena until he is released from the hospital. We have given Pastor Jeremiah some extra funds to cover the hospital stay in addition to paying for the surgery.

Thank you for your continued prayers as he recovers and prepares for the journey back home. Pastor Jeremiah expressed his deep thanks and appreciation to all who made it possible for Ngena to get the treatment he needed.

Congo for Christ University Students Need Sponsors

Dekyungu

Student	Field of Study	Years Remaining	Sponsors Needed
Heritier	Medicine	4	3
Ramazani	Social Work	2	3
Dekyungu	Economics	3	3
Washikala	Civil Engineering	3 1/2	3
Piyo	Computer	2	3

Ramizani

Global Outreach currently provides scholarships for five of the orphans from Congo for Christ. Thankfully each of these young people have a sponsor who has agreed to continue sponsoring them while they attend university. The $47 monthly sponsorship provides $564 annually. However the annual cost for each student attending university is over $2,000. In order to ensure these children are able to continue their education, we are seeking additional sponsors at the $47 level. Please contact us if you are interested in providing one of these additional university student sponsorships. Of course, any donation in any amount to the Scholarship Fund is greatly appreciated!

In Loving Memory
