

Spreading Love at Christmas

January 2022

With great joy we receive reports and pictures from our Global Ministry Partners as they share their Christmas celebrations made possible by your generous giving. It is humbling to hear how they have taken the gifts we have sent for them and blessed others by sharing with their villages and surrounding communities. Christmas is truly a time to share with others and most importantly share the message of Jesus with those who have never heard. In Bangladesh, sixteen people accepted Christ as Savior on Christmas Day. In DR Congo 2,720 children came to the worship service and lunch. Others gave their hearts to Jesus in Myanmar, and India as they were treated to Christmas meals along with the Gospel. Here are a few of the hundreds of photos we have received.

Mamas at Congo for Christ prepare to feed nearly 3,000 children. Children hear the gospel, have lunch, and receive a bar of soap and a piece of candy which they treasure!

Above: Myanmar, House of Refuge children sing for 270 villagers who attended service and lunch. Left: India, Orphans at 13 children's homes receive new blankets.

Sharing Love at Christmas

Myanmar: The entire Pone Htun village came to Agape to celebrate and enjoy a feast. Six left with more than just a good meal. They were baptized after accepting Jesus!

Without fail, all of the Global Ministry Partners send their love and deep appreciation for all of the support you provide not only at Christmas but throughout the year. In Pastor Richard’s words, “Let the Kingdom of God be enlarged and glory to God and God alone.”

Urgent Need for Pastor Jeremiah In DR Congo

Pastor Jeremiah, Founder and leader of Congo for Christ, is in serious need of medical help. He has been suffering for some time, and after being hospitalized in Uvira, DR Congo, he was transferred to a hospital in Burundi. From there, he was sent to a hospital in Kampala, Uganda, then to a Heart Institute in Kampala. We have just learned that he is in need of heart surgery and when he is able to travel, will be sent to Nairobi Hospital in Kenya where they can perform the surgery. Please keep this dear man of God in your prayers. Any financial gift will help and will be greatly appreciated.
