

Sharing the Love of Jesus!

December 2022

We are thankful to take this opportunity to look back at this year and praise God for all the good things He has accomplished through Global Outreach Ministry Partners around the world. Our friends have the most difficult part...being the hands and feet of Jesus to those in need. However, they could not do what they do without the support provided through our generous donors. With our extremely low overhead expenses, we are able to send over 90% of all donations directly to the field. Every dollar you send to Global Outreach is impacting lives for Christ!

Here are just a small sampling of the many pictures and reports we have received this year.

Pastor *Samuel, Bangladesh: We thank God for He is continually using us mightily to the expansion of His Kingdom. We are very much grateful for your sowing seeds among the unreached people and able to see effectiveness in the ministry. To God be the glory!!!

Agape Children's Home in Myanmar now has fifty children.

India: Feed My People Children's Homes now have 276 children. Here some of them are getting new school supplies. They will each get a new school uniform for Christmas.

Over 80,000 meals were served to the community children at Congo for Christ. They hear the message of Jesus and hundreds of children have asked Jesus to be their Savior.

House of Refuge, Myanmar. Our Global Outreach Ministry Partners often tell us how they pray for our ministry and also for our donors. They ask us to share our prayer requests with them. Truly we are in a partnership with hundreds of believers!

News from our Global Ministry Partners

Fizi, DR Congo: After losing their previous sponsor due to covid, the children were out of food and had to go to different church members homes to eat and then return to sleep at the orphanage. With Global Outreach sponsorship they no longer have to wonder when or where they will get their next meal.

Myanmar: Children at Agape Children's Home enjoy corn they grew at the farm. They work hard to grow as much produce as possible as food prices are skyrocketing.

Congo for Christ, DR Congo: New steps at Mango Tree School are just one of the many improvements to the property this year. Daniel said, *"We are very grateful for you standing with us and supporting the activities of the ministry in raising these precious children and preparing their lives to become responsible people with Christian values. God bless you so much for investing in raising men and women of purpose who will help to bring healing and reconciliation in this war torn nation. May our mighty God who is the provider of everything in this world reward you in His own ways."*

Bangladesh: Grace Children's Home will be opening this month with fifteen children. We will need \$1,500 per month for operating expenses. Please consider making a monthly donation for this new orphanage.

For unto us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace (Isaiah 9:6).

May your heart be lifted in praise this Christmas for the wonderful gift of Jesus our Savior and may the peace and the joy He brings fill your heart and home to overflowing.
Merry Christmas and a blessed New Year to you all!
