India:

Christmas is a time of Gospel outreach at House of Refuge. Over 200 from Buddhist families came to receive gifts, enjoy a meal and hear about Jesus' love for them.

Fancy toys are not needed for these children at House of Refuge to have fun! A special worship service and meal made the Christmas celebration a day of joy for all.

Thank you for making these Christmas celebrations possible! We also want to remind you that these precious children and the other ministries need our help and support all year long. Literally, thousands of people depend on your faithful and ongoing support. Bless you for all you do!
