## Harle's Heart

Global Outreach Founder and President, Harle Eliason, went to be with the Lord on March 12, 2020. Harle, together with her husband, Allan, (Renee's parents) had hearts for missions that went back to their time as church planters in New Zealand in the early 1960s. As God continued to nudge them to do something to help make a difference in

a hurting world, they launched Global Outreach in 1986. Many of you have been faithful partners since those early days. In the beginning much of the work involved ministry trips to Mexico.

Giving Life Church from Henderson, Nevada made many mission trips with Allan and Harle to Bethel Orphanage in San Luis, Mexico. Giving Life Church continues to support pastors through Global Outreach. The two young girls in front of Allan are now Global Outreach Board members, Harle's granddaughters, Julie Reed and Kim Paroz.

Harle always had a heart to help orphans, children, and widows. Helping and improving the lives of vulnerable women trapped in poverty and hopeless-

situations was an area of deep concern for Harle. With that in mind, and as a tribute to Harle, we are establishing **Harle's Heart**, a fund which will concentrate on providing assistance to women and girls. **Harle's Heart** will focus on providing training, funds for small businesses, hygiene and health products, and other urgent needs for women in many of the nations where Global Outreach serves.

Harle prays with Soledad, a young handicapped woman they found in a small hut in Mexico. Harle got her a wheelchair, then taught her to crochet and helped her get set up to sell items she made.

Quoting from the September, 1988 Global Outreach newsletter, Harle shared:

*These years have been challenging, fulfilling, and exciting, but not always easy. God is very faithful and deals wondrously with us. The decision to serve the Lord with all our hearts, minds and bodies has proved to be the wisest choice we ever made. As the years go by, we discovered we have a deeper appreciation and understanding of God's love given to us through Jesus Christ our Lord. We look forward to serving the Lord for many more years.*

God granted Harle's wish for many more years of service. Even though she suffered with Alzheimer's for more than fifteen years, we are thankful that she now knows how her legacy continues to impact thousands of people around the world. None of this would have happened without your faithful love, support, encouragement, and prayers. Thank you!

## Harle's Heart

After several years of hard work in Mexico the focus of Global Outreach shifted to provide support for more nations farther from home. Harle and Allan were privileged to visit several countries on ministry trips. To their dismay, health issues prevented them from personally visiting all of the works they were supporting. Global Outreach files hold evidence of numerous letters written by Harle to encourage, teach, and yes sometimes to admonish, the workers she loved so much.

As we shared word of her passing, we quickly heard back from Pastor Jeremiah in Congo and Reverend Thomas in India. In both nations, they held a memorial service to show their love for "Mum Harle" and "Mama Harle."

Children at Congo for Christ show their love for Mama Harle

From Pastor Jeremiah:

*We would not have reached this far as a ministry and family without Mama Harle standing with us. God used her to be a blessing to us. We*

*don't have anyway that we can pay her back but we pray that she will rest in eternal peace and one day we shall meet and enjoy eternal life together.*

Pastors, leaders, teens and children remember Mum Harle

From Pastor Thomas:

*Though I was born to my mother in India, I always consider Mum Harle to be my Godly mother. She was the life force to my ministry, Feed My People. Mum Harle helped us through Global Outreach in so many ways: orphan children, Pastors, elderly, widows, lepers, teens and in times of natural calamities. The Feed My People family felt sad on hearing of her passing. We are totally filled with Mum's love in every stage of our development and we will never forget her.*

### Covid 19 Update

As we in America attempt to navigate through these unprecedented and unpredictable times, we would like to remind you that our friends in other nations are suffering due to shortage of supplies and loss of income. We are hearing that food prices are skyrocketing as well as increases in crime due to the desperate times. Please help us send emergency funds to be sure the children and workers at least have food to eat. We appreciate your generous gifts and ask for your continued prayers for we serve a God who can do abundantly more than we can ask or think. Ephesians 3:20
