

Dear Orphan Sponsors and Supporters,

June 2015

May the peace of the Lord be with you. We are very grateful again to get this wonderful chance to tell you about the physical and spiritual life of the children. The children at CCC are growing physical and spiritual on the daily basis. Mango Tree School is an exemplary school in the area which is teaching the student the word of God. We have had some testimonies from parents proving that the school is bringing change to the lives of their children and they are no longer pushed to go church but they do it willingly. We thank you our sponsors for making us reach this far in this ministry.

At CCC we have three different groups that spread the gospel of God in different ways through singing and dancing. The first group is the choir with 36 members; the second is the dance group with 19 members and lastly is the praise and worship team with 9 members. In the praise and worship team, 7 members are CCC children and the 2 members are some of our staff in the Orphanage Department and they are Brother Bokechi Mzuri Chick who is the Head of the Orphanage Department and Brother Sermon Omari who is the choirmaster. The leader of this team is Brother Bokechi Mzuri and his assistant is Dekyungu Bakari. The secretary of the group is Collete Riziki and the group has two advisors and they are Johari Isaac and Shila Ngoma. The office tenure of the leadership of this group is one year but you can be re-elected if you did your work well.

CCC Praise & Worship Team: Dekaba Bakari, Dekyungu Bakari, Johari Isaac, Ana Djuma, Shila Ngoma, Collete Riziki and Bernard Isaya. This team conducts practices twice a week and that is every Tuesday and Friday at 5 pm to 6 pm in the evening. This worship team is only for the children and staff members of the respective department. They perform during the mid week services at the center and the CCMC church and also on Sunday services at the Church. This team also performs anytime we are invited to serve in other churches.
