Uvira, DRC

Dear Orphan Sponsors and Supporters,

February 2015

We pass our greetings in the name of our Lord and Savior Jesus Christ. We are very grateful to have again such a wonderful moment to give you some briefs on the proceeding of the children at Congo for Christ. We thank God for the love He is showing to these children. The children are witnessing the love of God through you. Most have been in good health since they are getting their daily meals through your support.

We are happy and proud to tell you that the children have grown spiritually. Majority of the children now can preach the word of God without any fear. The children preach at CCC staff meetings and serve at chapel service every Saturday morning. We feel encouraged to see how the children are engaging themselves in doing God's work. Some of our children from CCC are the ones who are teaching Sunday school children at the church. We are also encouraged by the deeds of God because the children now play musical instruments. We currently have a group of 12 children at CCC who are learning how to play musical instruments. Among the group some have now started playing in church service and this is giving them the push to spread the word of God through this talent. The CCC choir is also improving each and every day and they have really touched the hearts of many people through their singing. Now we have a strong praise and worship team at CCC, they lead praise and worship session in church.

We are also encouraged to see how the children are willing to participate in any activity that is taking place at CCC. The children have been helping in garden to make sure that their food grows well. They help in cleaning of the compound and also they help in the kitchen. The children are disciplined and they are now showing some sense of responsibility which our aim is to develop responsible leaders in the community.

We give also our gratitude to the Almighty Lord because the children had the best Christmas celebration they have ever had since they joined CCC. They had fun and enjoyed a variety of meals. On top that, each child received a special gift from CCC management. This was a success because of the Lord's love and all your love and support.

We are praying for you each day and pray that you continue to invest in the good soil at CCC.

Be blessed.
